# Evaluation of a genetic algorithm based image approximation method

Gergely Vakulya
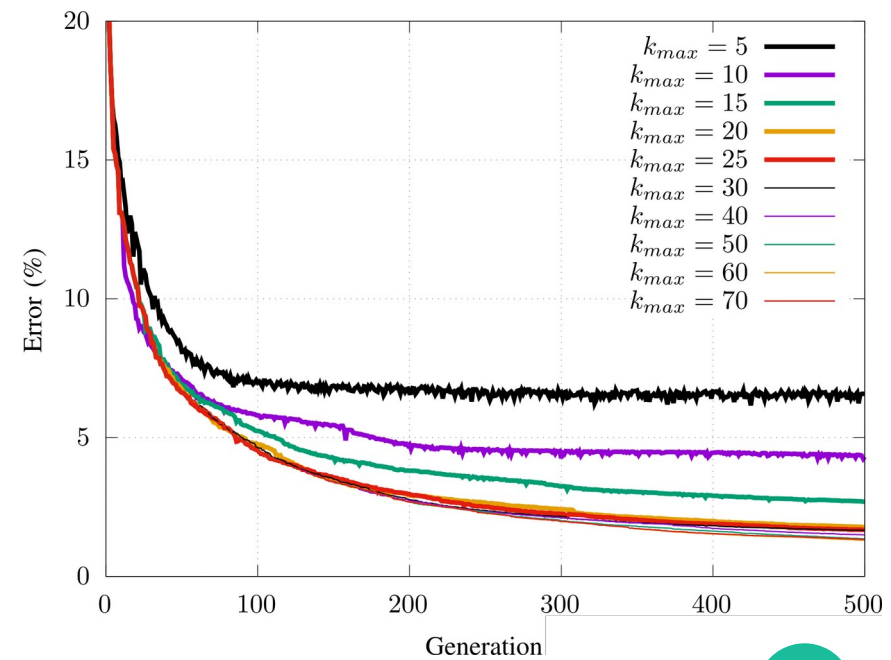

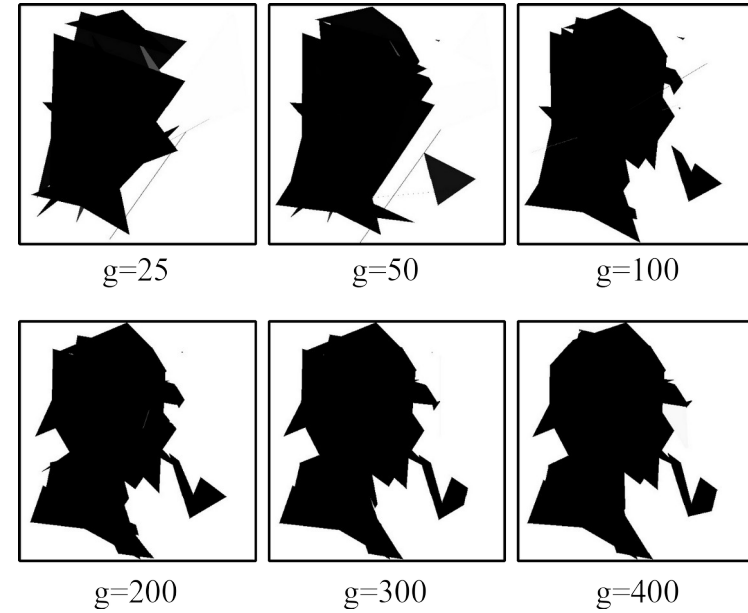

Test images

- **Black and white bitmaps**
- **512x512 pixels resolution**
- **Moderate complexity**

Results

- **sdf**

g=25   g=50   g=100

g=200   g=300   g=400

Thank you
for your
attention!
